### **STOP PRESS**

Dateline 26.2.10

Today, GoodNews Church received approval for a mortgage, and we are now able to make the formal offer for the British Legion Building. Please be praying for wisdom as the offer is made and for the favour of the Lord as the Legion consider the offer.

This is where the work really begins. Thank you for all the donations and pledges that have made this possible so far. We serve a mighty God who is able to do great things. We will be providing separate envelopes for building fund gifts. If anyone is a UK taxpayer and has not signed up for Gift Aid, please do so, as this will add 25% to the value of your gift. If anyone is giving through direct deposit, if possible, please indicate in the note box if it is for the building.

The next steps are:

1. Applying to the Council for Change of Use
2. Obtaining the required surveys and quotations for the remediation work
3. Undergirding every part of this project with prayer.

Thank you to everyone who helps to put things away after the morning meeting. We now have a cupboard downstairs by the back door so it would be helpful if you would move things towards the lift. We appreciate the Town Hall for letting us have the cupboard. It is saving a lot of time on Saturday nights as well as on Sunday mornings. If anyone would like to help with the Saturday evening set up please let John know.
